To whom it may concern:

I would like to take the opportunity to express my satisfaction with the professionalism and workmanship of Sunrise Installations Inc. The high standards and attention to detail is evident in all phases of their work. From complete door replacement to simply replacing door hardware, Mr. McGonigle and his team always share their knowledge and experience to ensure perfection.

I highly recommend this fine team of individuals to continue a strong working relationship with the Nassau County SBGA. Their dedication to customer satisfaction is second to none and we look forward to working with them in the future.

Sincerely,

Alfredo G. Cavallaro  
Director of Facilities and Operations
